

Northwest Wisconsin WDA #7

Accessible Customer Service Policy

(Revised 7-9-2021)

POLICY STATEMENT

Northwest Wisconsin WDA #7 policy is to ensure that all customers have equal access to all Northwest Wisconsin Job Centers. This policy outlines how Northwest Wisconsin WDA #7 will ensure that all customers impacted by accessibility issues at a Job Center can access services through alternate locations.

BACKGROUND

In June of 2017, Northwest Wisconsin WDA #7 worked with an independent consultant to conduct an ADA accessibility assessment of our service delivery locations. The survey identified some potential barriers for consumer access to Job Center services. Northwest Wisconsin WDA #7 is working with Partner Agencies and current land lords to correct the physical barriers. Northwest Wisconsin WDA #7 is committed to providing equal access to Job Center services and will provide accommodations upon request.
